- Corporate brand identity potential

BEFORE

AFTER

Existing

Option 1 - EMC2 Green

Option 2 - EMC2 Blue

The Deckmaster concept design service assists client visualisation of potential colour schemes.

Insurance Backed Warranty Scheme

Insurance Backed Warranty

- All our work can be covered by an insurance backed warranty scheme

The scheme covers latent defects:

- “A latent defect is one which remains undiscovered at the date of practical completion but manifests itself during the period of insurance by way of actual physical damage”
- “The insurance meets the cost of rectifying defects in materials or workmanship including errors or omissions in design or specification”
